# Pharmapark Siegfried

Zofingen, February 2016

# Masterplan The Siegfried Site Zofingen

○ Siegfried Administrative Building

● Building 325, 228

# Company profile

- Pharmapark Siegfried is one of the most attractive pharma parks with a long tradition of 140 years.
- It is located in the center of the life science cluster of northwest Switzerland in close proximity to the international airports of Zurich and Basel (easy reach within about one hour).
- It represents a large reservoir of skilled and well-trained employees in the chemical and pharmaceutical industry.
- Industry-related inspections by the FDA have for more than 10 years resulted in «no action indicated».

# Company profile

- On site, an effective fire brigade of over 80 people enjoys the support of all companies operating in the pharmaceutical park and ensures the highest level of safety.
- Pharmapark Siegfried includes buildings with laboratories and sufficient space for new construction (max. 15,000m<sup>2</sup>).
- Companies located in Pharmapark Siegfried enjoy tailor-made conditions to suit their needs and access to all services required by a company active in the drug industry and producing under cGMP conditions.

# The following services are available to our partners in Pharmapark Zofingen:

- Compliance services
- Maintenance and repairs of plant, machines and buildings
- Security services, identity checks and access control
- Safety, health and environment services
- Administrative services incl. HR, finance and general administration
