

**Expect more with Siegfried
as your preferred partner**

The Siegfried Group, headquartered in Zofingen, Switzerland, is a preferred production and service partner for the worldwide pharmaceutical industry. Our company, which draws on a 140-year tradition, brings together chemicals and pharmaceuticals expertise under one roof.

We develop and produce active pharmaceutical ingredients, intermediates and complex dosage forms. Every day, around 2,300 committed employees in Switzerland, Germany, France, Malta, the USA and China work on innovative, integrated solutions for our clients.

Pennsville is our drug substance manufacturing site for the US market and provides spray drying operations globally.

At its locations around the world, Siegfried offers employees exciting career opportunities in international settings. We cultivate multidisciplinary cooperation and encourage our staff to actively shape and influence their careers. This approach, coupled with our dynamic working environment, make Siegfried an attractive employer.

To strengthen our team in Pennsville we are looking to hire a
