

Siegfried confirmed in the Dow Jones Sustainability Index Europe for the second consecutive year

Siegfried is proud to announce that it has been confirmed as a member of the Dow Jones Sustainability Index (DJSI) Europe for the second consecutive year. The DJSI is a widely recognized standard for measuring corporate environmental, social, and governance (ESG) progress across industries. Siegfried is currently the only CDMO (Contract Development and Manufacturing Organization) in the DJSI Europe.

Luca Dalla Torre, General Counsel and Chairman of the Siegfried Sustainability Board: "We are delighted to be recognized as a sustainability leader. The confirmed membership in the DJSI Europe is the result of our commitment and continuous efforts in the various areas of sustainability. Sustainability is one of our five core values and is an important element of Siegfried's long-term strategy."
