

Siegfried confirmed in the Dow Jones Sustainability Index Europe for the third consecutive year

Siegfried has been once again recognized as a sustainability leader with the inclusion in the Dow Jones Sustainability Index Europe (DJSI) for the third consecutive year.

The DJSI is a widely recognized standard for measuring corporate environmental, social, and governance (ESG) progress across industries. Siegfried is currently the only Contract Development and Manufacturing Organization in the DJSI Europe.

Luca Dalla Torre, General Counsel and Chairman of the Siegfried Sustainability Board: "Being recognized in the DJSI Europe as a sustainability leader is a proud moment for us at Siegfried. Sustainability is at the core of our values and long-term strategy. This acknowledgment motivates us to not only continue our commitment to sustainable practices, but further advance them through ambitious projects across our global network."
